

MEDIA RELEASE
CALENDAR INFORMATION

In an effort to better serve our students, Oregon-Davis School Corporation is reviewing our current school calendar and researching various calendar options. The corporation is attempting to better meet our students' needs while considering the summer break/vacation, breaks/vacations throughout the school year, the 4H fair, high-stake testing, and the over-all academic and social growth of all Oregon-Davis students.

There will be a work session with the Oregon-Davis School Board on Monday, February 6, 2017, at 6:30 p.m. at the Jr./Sr. High School Cafeteria. A portion of the work session will be to discuss the calendar options. The public is invited to attend the work session.

Parents will be sent an on-line survey to complete between January 25, 2017 - February 1, 2017.
