Available services: diagnoses and treatment for acute illness (such as strep throat, ear infections, rash, and flu) and minor injuries. Limited laboratory testing. Your insurance will be billed for services provided in the clinic. If you do not have insurance, services will be provided on a sliding-fee scale that is based on the parent's income. If you or your child is uninsured, please contact HealthLinc at 1-888-580-1060 and we will assist you with obtaining insurance.

The most important thing you can do to protect yourself from the flu is to get the flu vaccine.

Steps to take to help prevent spreading of germs are as follows:

Cover coughs and sneezes with a tissue.

Wash your hands often with soap and water.

PLEASE SEEK PHYSICIAN CARE IF YOUR CHILD HAS SYMPTOMS THAT PERSIST.

If your child has had the flu/flu-like symptoms they may return to school after they have been fever free without medication for at least 24 hours or once the physician releases them.
